

Every adventure starts with a spark.

Asta had come to an enchanted forest with one thought in mind: a magic less boy become a wizard king to clover kingdom . in world of magic.

Asta:

“Let's see where this leads!”

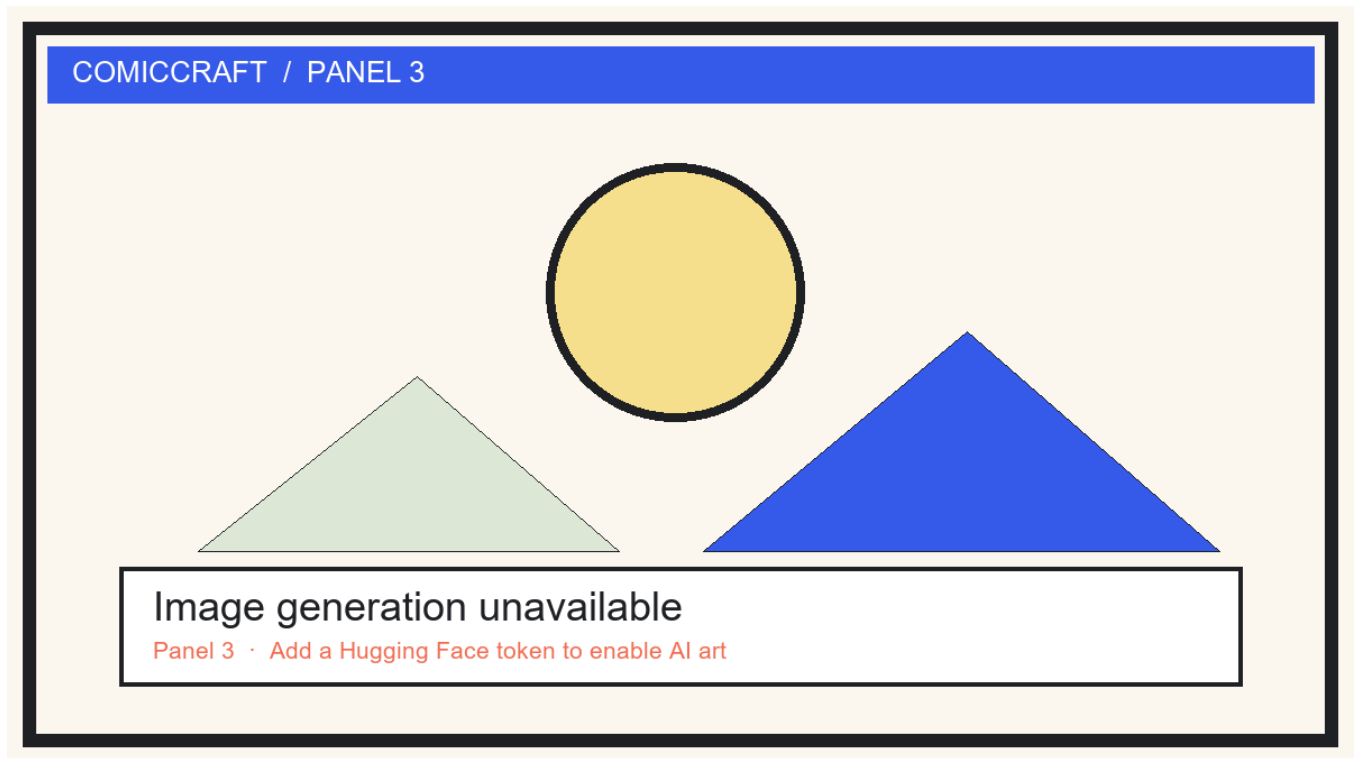

But every spark brings a little surprise.

Then a sudden snag threatened to stop everything. Asta took a breath and looked closer.

Friend:

“We have to do something!”

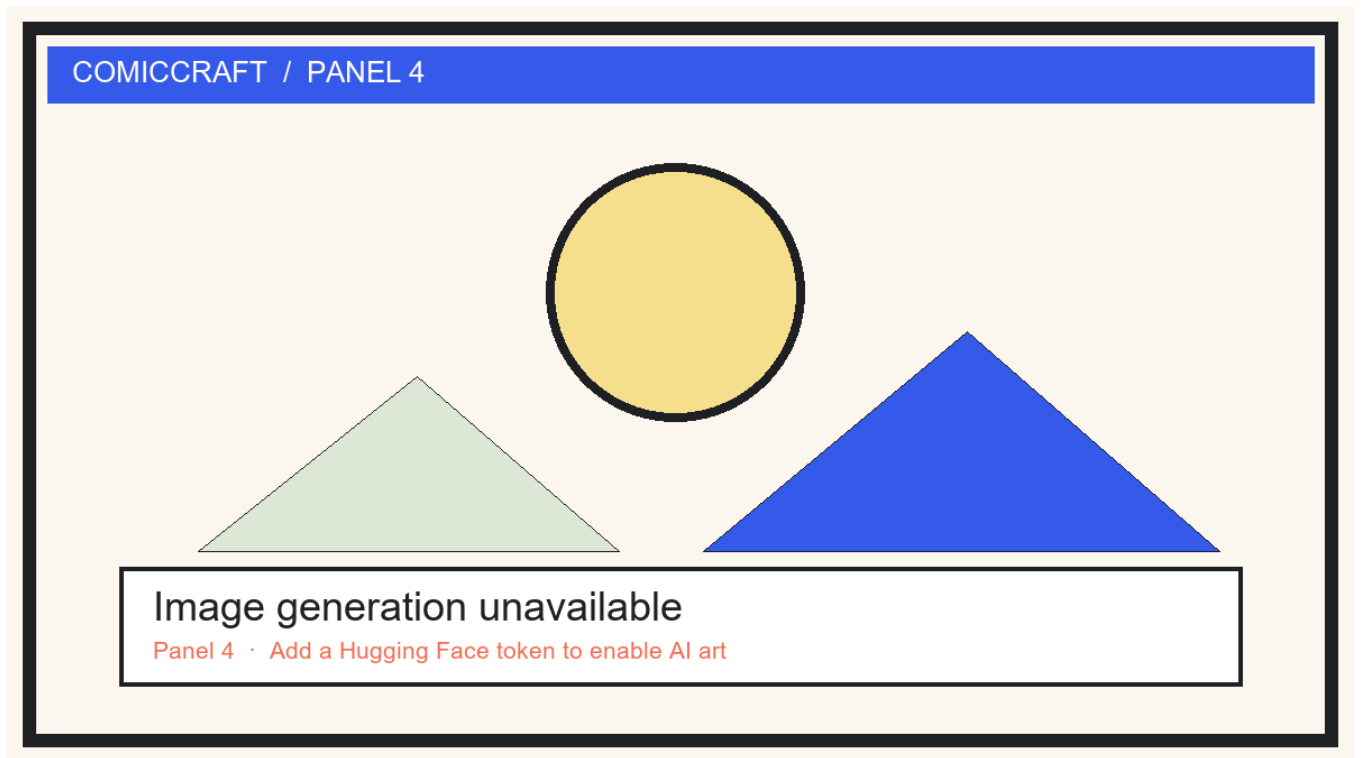

A clever idea can change the story.

A simple idea began to take shape. Asta gathered the right clues and set the plan in motion.

Asta:

"I think I know how."

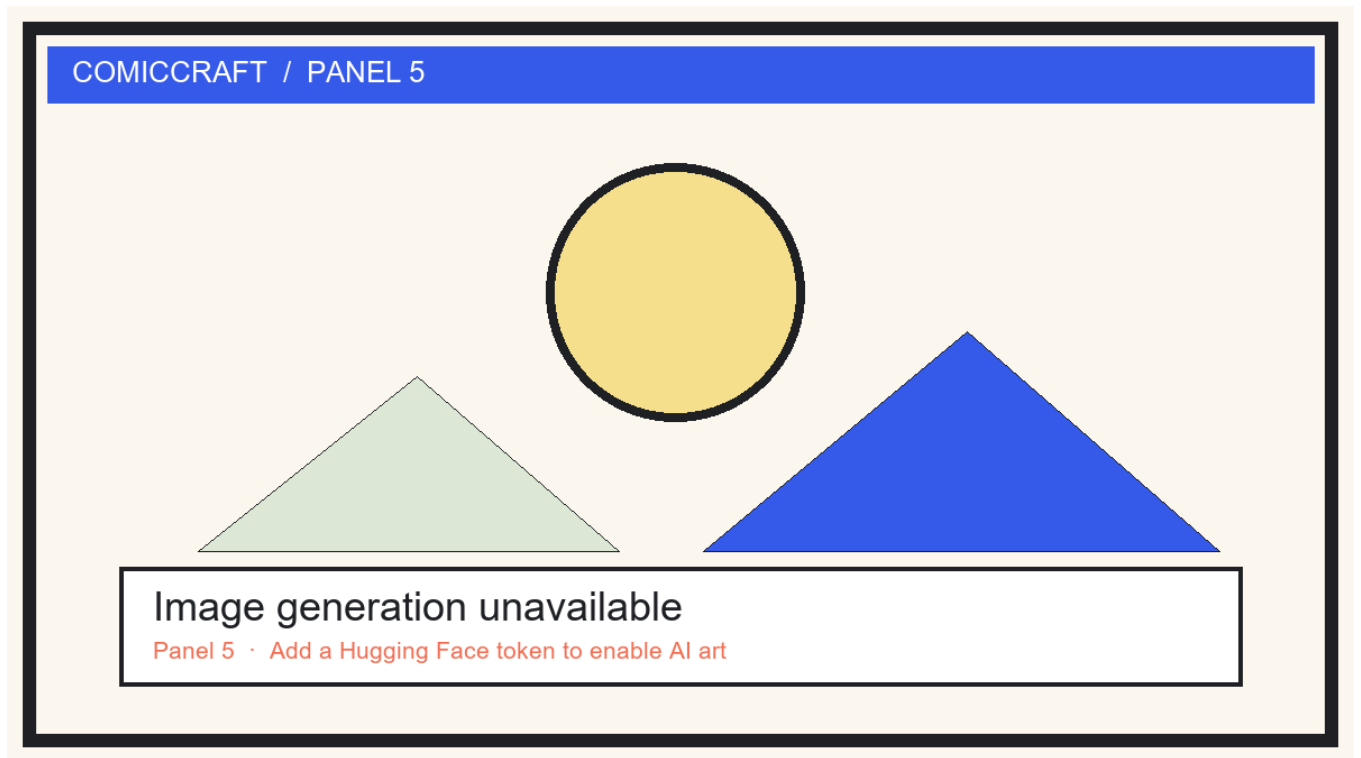

This is the moment that matters.

There was no time left to hesitate. Asta made one bold move—and the whole scene changed.

Asta:

“Now! Together!”

And that's how a new chapter begins.

By sunset, the trouble had passed. Asta left an enchanted forest proud, hopeful, and ready for a new adventure.

Asta:

“We did it—and learned a lot.”
